

# HSE POLICY

“KVET LLC” believes that its strategic business success begins with being responsible towards Man & Nature and to provide resources for their protection and continual development.

“KVET LLC” is committed to:

- ❖ Communicate, Train and motivate our employees as well as all persons working under our control continuously to achieve our HSE objectives.
- ❖ Take steps to ensure that all employees are aware of the safety hazards and environmental aspects arising from Company activities, and the benefits of improved performance.
- ❖ Make its practices, workplace and services safe for health and to ensure the least possible impact on the environment.
- ❖ Apply consistently the principle of prevention.
- ❖ Provide high level basic health and care services to our staff.
- ❖ Adhere to applicable legal and government regulation and demonstrate conformity to International Standards.
- ❖ Continually improve our Health, Safety and Environmental performance in collaboration with our suppliers’ contractors and customers.
- ❖ Periodically review the safety, health and environmental policy statement and management systems, to ensure that they remain suitable, adequate and effective and revise where appropriate.
